Vehicle Usage Policy Reminder November 2019

Company Car Programs would like to remind custodians that off-roading (off-road trails, four-wheeling, mudding, racing, etc.) is not an authorized use of any company-owned vehicle.

Per the Company Car Program Terms and Conditions:

Illegal and/or Unauthorized Use:

The participant, his/her spouse, dependent children and/or Permittees have no right to use the company-owned vehicle except as provided in these guidelines. This includes:

- The vehicle shall not be used for off-roading, racing or to display any advertisement or for any personal businesses such as lawn services, towing/hauling, etc. The vehicle may also not be used for any non-FCA business purpose or as transportation for any businesses such as sales (real estate, pharmaceutical etc.), pizza delivery, Uber, Lyft etc.

Damage caused by off-roading is not a covered repair item - custodians may be responsible for up to 100% of the repair cost (non-reimbursable) for any damage that is due to off-roading. In addition, failure to abide by the Company Car Program Terms and Conditions could result in the permanent loss of Company Car Program eligibility.

For complete information on program rules and guidelines, please review the Terms and Conditions document found on the Company Car website at <https://www.chryslercocar.com/>. If you have any Company Car program-related questions, please contact us by phone at 1-800-481-6736 or by email at cocars@fcagroup.com.
