

Retiree Lease Agreement and Pension Deduction Authorization Form

Please allow 48-72 hours for processing.

***Please read and acknowledge each statement below by completing and signing page 2.**

You must return both pages to Company Vehicle Operations.

- I authorize a deduction from my salary or pension/EFT payment each month in the amount of the monthly lease charge for any vehicles leased by me pursuant to the FCA Vehicle Lease Program described in the manual entitled "Company Vehicle Operations Terms and Conditions." The deduction will be applied to payments due on the vehicles I lease from FCA. I understand that if I return any leased vehicle prior to the end of a lease, salary or pension/EFT deductions may continue for the duration of the agreed upon lease period.
- I understand that if I fail to return the vehicle in accordance with the "Retiree Lease Program Terms and Conditions" document, in addition to the monthly lease payment, I will be charged a fee of \$35 per day for each day the vehicle is not returned. I hereby authorize deduction of these fees from my salary or pension/EFT payment. I understand that these deductions will begin immediately upon my failure to timely return a lease vehicle and will terminate upon my returning the lease vehicle.
- I also authorize deduction from my salary or pension/EFT, or any other amounts due from FCA to me, for any charges for vehicle abuse (including lack of maintenance), key replacement, unpaid parking fines, excess loaner usage, administration fees, and any other charges assessed in accordance with the "Company Vehicle Operations **Terms and Conditions**". I understand that I will be given notice of the amounts owed and the date that such deductions will be made.
- I understand that an annual motor vehicle record (MVR) review is required for all eligible drivers and that updated MVRs will be obtained through our automated process. I agree to pay the fee for each motor vehicle record (MVR) obtained through the automated process and that the fee(s) will be payroll or pension/EFT deducted. I acknowledge and agree to the cost per MVR as shown in the chart on the Company Vehicle Operations website (chryslercocar.com).
- I also authorize FCA to deduct from my final paycheck, pension benefit and/or severance benefit, as allowed by law, any outstanding lease vehicle charges that are due and owing at the time I leave the company.
- This voluntary authorization is knowingly and willingly made by me, and I expressly authorize FCA to make said deduction from my paychecks or pension/EFT.
- In the event that any amounts that are due from me to FCA are not deducted from my salary or pension/EFT, I will pay such amounts to FCA within ten days of receiving an FCA invoice, bill or other demand for payment.
- I understand and acknowledge that the vehicle ("Vehicle") I am provided pursuant to the FCA Company Vehicle Program is equipped with the Uconnect® platform and associated sensors, devices, equipment, telematics and connected services, and other features (the "Connected Services") and may also include other telediagnostic and telematics equipment (together with the Connected Services, referred to as the "Vehicle Services"). **I further acknowledge and expressly agree that FCA may access, receive, collect, use and disclose information from and about this Vehicle and Vehicle Services, which may include driving data, geolocation data, crash notifications and crash data, performance and diagnostic data, and other personal information, as set forth in the Company Vehicle Program Privacy Notice found on the Retiree Lease Program website at www.chryslercocar.com.**
- I acknowledge and agree to operate the vehicle(s) provided in accordance with the Company Vehicle Operations Terms and Conditions and, if an active employee, will submit a monthly on-line evaluation report.
- I acknowledge that vehicle options may not be available, may be changed or may be removed, even after my vehicle is ordered, due to availability, material shortages or retail demand.
