AUTHORIZED VEHICLE USAGE

The Company Car Program Group has recently received a number of inquiries regarding allowable vehicle usage. As a reminder, Company-owned vehicles may not be used for any type of personal business, including Uber.

Per the Company Car Terms & Conditions:

The participant, his/her spouse, dependent children and/or permittees have no right to use the Company-owned vehicle except as provided in these guidelines.

- The participant may not sub-lease, sell, assign, mortgage, or otherwise transfer or to attempt a transfer to any person any interest in the vehicle. No liens may be recorded on company owned vehicles.
- **The vehicle shall not be used for off-roading, racing or to display any advertisement or any personal businesses such as lawn services, towing/hauling, etc.**
- The vehicle shall not be used in an illegal manner or for any illegal purpose.
- **The vehicle shall not be used for the transportation of persons or property for hire other than "car pool" arrangements in which the compensation received approximates the cost of the vehicle's operation.**
- The vehicle shall not be moved or operated in any location outside the United States or Canada without the prior written consent of the Secretary of the Company Car Committee.

For complete information on program rules and guidelines, please view the full Terms & Conditions document found on the Company Car website at <https://www.chryslercocar.com/>.
