

Dear Participant:

We would like to remind you of the loaner vehicle policy for when your program vehicle is in for repairs for a minimum of three (3) days.

If you reside within Southeast Michigan:

- Contact the Lapeer Road Marshaling Center for a loaner at vehicleservices@stellantis.com or (833) 550-5783. Loaner vehicles within SE MI are available for approved program drivers of any age.

If you reside outside Southeast Michigan, there are two available options:

- **Indiana Residents:** You can obtain a loaner in the state of Indiana by emailing cvoadesa@stellantis.com. Please note, this option is only available in Indiana at this time and vehicle inventory is limited. Insurance is included with this option.
- **Business Travel:** If a local loaner is not available, please book a loaner rental through Business Travel at (669) 272-1325.
 - Loaner rentals may be used for up to 10 days. You must contact Company Vehicle Operations by email to request an extension every 10 days if repairs are not complete.
 - Participants may request reimbursement up to \$35/day, for a maximum of \$350 per occurrence.
 - Loaner rentals that are a **compact size vehicle** comply with the \$35/day rental rate. Approval is required by Company Vehicle Operations by email if there is a special need for a larger vehicle.

Complete details on the loaner rental vehicle process can be found on the Company Vehicle Operations website:
