Dear Participant,

Welcome to the September 2026 edition of the Stellantis Company Vehicle Program Newsletter!

We're excited to continue to serve you this year, along with delivering important news and updates on our program.

This issue includes important news, program policies and reminders, quick tips, helpful resources and more.

If you have any questions, please [contact us](#).

Happy fall,
Company Vehicle Operations

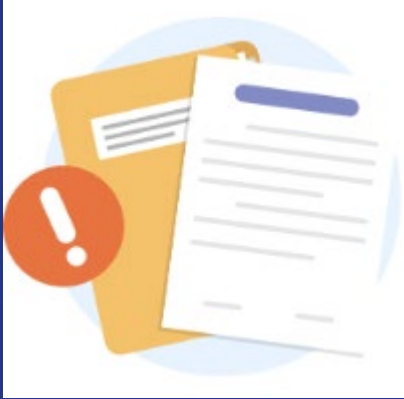

News

New Motor Vehicle Records Process

As of September 14, 2026, a new Motor Vehicle Records (MVR) process has been implemented.

What's Changed?
The process has changed from an annual MVR review to a Continuous Monitoring Program. With this new program, we will receive timely notification of any MVR activity for you or your dependent drivers.

Note: Participants residing in AK, DC, HI, IA, IL, KY, MA, MS, NJ, NV, PA, VT, WA or WY will continue to have an annual MVR review as MVR monitoring is not available in these states.

Learn More: www.chryslercocar.com > MVR & Training

Mandatory Safe Driving Training Series

To help reinforce safe driving practices, participants are required to complete a series of mandatory training modules.

Deadline: October 21, 2026

Completion Time: Approximately 30 minutes

Access the Training: Log into the [online ordering system](#), select the Eligibility Tab and then the DriverCare button on the homepage to complete your training.

Protect the Program. It Starts with You.

As a participant, **you are responsible for helping protect our assets.**

When vehicles aren't properly cared for, it impacts their overall condition and value, in turn creating a financial loss for the company.

Taking a few simple steps makes a difference:

- Maintain your vehicle
- Adhere to the program's terms and conditions
- Secure your vehicle
- Report program violations to the Stellantis Integrity Helpline: 1-800-543-1391

Simple actions.
Big **impact.**

Program Policies & Reminders

How to Request a Loaner Vehicle

If you need a loaner vehicle, follow the steps below (based on your location).

Participants in Southeast Michigan
If you live in Southeast Michigan and are in need of a loaner vehicle, you must request it from the Lapeer Road Marshaling Center (LRMC).

Applicable Counties: Genesee, Lapeer, Livingston, Oakland, Macomb, Wayne and Washtenaw

Participants Outside of Southeast Michigan
If you live outside of Southeast Michigan and are in need of a loaner vehicle, you must request it from Business Travel: 669-272-1325

Indiana Participants: You can obtain a loaner in the state of Indiana by emailing cvoadesa@stellantis.com.

IMPORTANT NOTE
Loaner vehicles supplied by a Stellantis dealership are not permitted.

Learn More: www.chryslercocar.com > Insurance/Rental Vehicles > Rental Vehicles

Quick Tip: Print a Copy of your Insurance Card

Need an extra copy of your insurance card? You can easily access and print one from our website:

www.chryslercocar.com > Insurance/Rental Vehicles Tab > Print Insurance Card

Note: insurance cards are renewed every year on March 15.

Tech Corner

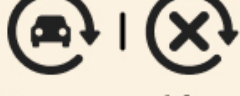

GET MORE WITH YOUR OWNER APP

DID YOU KNOW?

YOUR OWNER APP CAN DO MORE THAN YOU THINK

With fall comes busy schedules, family activities, and holiday travel. Take advantage of your Owner App and discover ways to simplify busy days, support holiday travel, and keep you connected throughout the season.

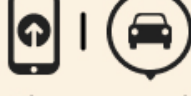

Be prepared for any conditions

Many owners are surprised to learn how many useful features are already included through the Owner App. No matter where you live, use **Remote Start** to warm up or cool down your vehicle before you hit the road. Step into a comfortable cabin every time, whether it's freezing cold or scorching hot outside.

Travel with Confidence

Planning a weekend getaway, cheering from the sidelines, or visiting family for the holidays? Check your **vehicle's health information and alerts** right from the Owner App. Need service? Easily schedule maintenance appointments to help keep your vehicle road-trip ready.

Discover navigation features you may have overlooked

With **Send & Go** search for a destination in your Owner App and send it directly to your vehicle's navigation system before you leave. When you start your vehicle, the route will already be displayed on your touchscreen, ready to guide you to your destination. Can't park right outside your destination? **Last Mile Navigation** provides walking directions from your parking spot to your final destination.
